Introduction

**In the name of Allah the entirely merciful,
the especially merciful**

Brief background of where I took my inspiration to author this book

I remember many years ago as I was in South Wales, I once came across a tiny book of a few tens of life quotes, and it was just what I

needed for the years ahead. It provided me with the steam I required to finish my Software Engineering Work Placement, and most importantly **my search for the truth.**

Fast forward just over 10 years later, I now have my own series of inspirational quotes , and books on motivational sayings and spirituality.
